Subject: Survey – Proposition 11 Qualification Criteria

The State Auditor is responsible for initiating an application process for the Citizens Redistricting Commission that requires each applicant to meet basic requirements of eligibility as stated in the Voters First Act (act).

The purpose of this survey is to determine the extent to which we can verify information provided to us by the applicants thus enabling our staff to verify that the applicant does not have a conflict of interest as specified in the act. The survey can be accessed at the Bureau of State Audits' (bureau) Web site located at www.bsa.ca.gov/surveys/voters_first_act_counties . Once at the bureau's Web site, a link has been established for each county clerk or registrar to enter the survey domain and complete the survey. The survey link is entitled this survey at the Voters First Act County Survey page.

This survey is a very important step in the selection process for a Citizens Redistricting Commission and I appreciate your support and cooperation. If you have any questions, please contact Dan Claypool, Senior Auditor, at 916-445-0255, ext. 418 or Sharon Brumley, Executive Secretary, at 445-0255, ext. 428. Thank you for your participation.
